

Spencer Gregg

Acoustic Live Performance

Overview

Spencer Gregg is a Denver-based acoustic performer known for creating warm, welcoming, and musically engaging live experiences. His performances are built around recognizable songs, tasteful musicianship, and an approachable presence that complements a room's atmosphere rather than overpowering it. Spencer blends modern acoustic, pop, country, and indie influences to create sets that feel natural, familiar, and enjoyable for a wide range of audiences.

Capable of 2–3 hour acoustic performances, Spencer shapes each set to match the energy, style, and needs of the venue — from relaxed background ambiance to more featured listening moments. He is reliable, professional, and easy to work with, making him a strong fit for restaurants, breweries, lounges, cocktail spaces, and intimate music environments. Find Spencer's demos and full music portfolio on the included website.
